

Welcome to 2020!!!

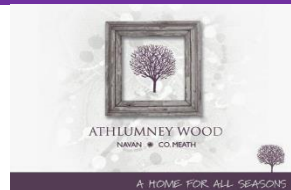

Grass cutting

Grass cutting will commence shortly for 2020. The contractor is cutting only the main green areas, so it's your responsibility to maintain grass verges outside your house. A few residents have volunteered to cut verges on their roads. If you want to help, contact us. The payment this year will remain at €30 per household and road reps will start collecting it after Easter. If you can afford to pay the €30 in one payment it would be appreciated, but we will accept instalments. These funds are vital for grass cutting. The Council do NOT cut the grass. Without the help of the road reps we can't continue our work so please continue to support.

Please stop parking on the grass verges and on the junctions in front of the STOP signs.

The owner/person in charge of a dog is required to remove dog faeces and dispose of them in a suitable, sanitary manner and if you observe someone not adhering to this, please contact the litter warden. The penalty doing so is €150.

It's in everyone's interest to keep the estate tidy so please tidy around your house, sweep the road around your house and if you are walking along the estate and notice any litter please pick it up. If you need garden gloves or some bags, please contact us, and we'll provide some.

Keeping Watch

Please continue to be vigilant and if you see anything strange or are concerned, talk to your neighbours and make them aware. For more serious issues call **Navan Garda Station on 0469036100.**

FIX your street

For faulty street lights or any damage in the estate please use the website to report it <http://www.fixyourstreet.ie/>

The Committee is here to help and can be contacted at athlumneywoodra@gmail.com but **cannot do everything.** The more support the committee has from residents the better. If you want to join committee, please contact us via email.
